**DOUGLAS D. WATTS
PRIMARY EXAMINER**

The following is an examiner's statement of reasons for allowance: none of the cited references suggests the claimed combination of the cutting device with a handle, blade, slot and a lower shoulder that exceeds the width of the handle. The newly cited reference to Shelton shows that it is old to have a lower base that is wider than the handle. There appears to be no reason to modify the device of Allen in such a manner however. Further it is noted that the handle of Allen is wider than the lower portion including the lower shoulders.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Douglas Watts whose telephone number is (571) 272-4515. The examiner can normally be reached on Mon-Thurs 8:30AM – 4:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Allan Shoap can be reached on (571) 272-4514. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
